

REMARKS

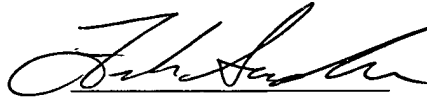

It is respectfully requested that the amendments to the above-referenced application, presented herein, be entered prior to examination.

Claims 24-46 remain in the application, claim 1-23 having been cancelled herein and new claims 24-46 having been added herein. Claims 1-23 have been cancelled and claims 24-46 have been added herein in order to conform the claims to U.S. practice, to remove minor informalities and to remove multiple dependencies therefrom in order to reduce the filing fee.

No new matter has been added by this amendment.

An early and favorable response is earnestly solicited.

Respectfully submitted,
